A Word From The President:

Spring is just around the corner folks, lets get those planes ready. The Clubs Auction is coming up, we are going to need lots of participation for this event. Everyone plan on helping with the event, we will need all the help possible. We were short on help last year.

This is our big money maker for the clubs operating capitol, so the annual club dues don't get expensive. Bring all those old treasures and projects that you don't need or want, and turn them into \$\$\$'s. I hope everyone had a great Christmas and New-Year, Holiday season. See you at the Auction.
Rick Miller

Vice-President's Corner:

Hard to believe our Auction is just about 12 weeks away. What a great winter so far, lots of opportunities outside in this mild but windy winter. A few of us attended the Grand Island Auction early this month. While the selection was not tremendous the guys out there are. Very nice group of Flyers. The Auction is held in the Restaurant area of Fonner Park and there is plenty of room. The day was fun and I got a few motors.

On 1/14 the KCRC swap meet took place. There were over 120 tables of stuff! Now, I was concerned that so many of the tables were rented to dealers but they seemed to have good prices and do a respectable amount of business. However, fewer individuals selling their stuff must be a result of EBay and RC World Auctions. It was inevitable that this would happen. I truly believe this is the reason Auction business has decreased for some clubs.

Hopefully with the Western Flyers "Big Cash Giveaway!" we will attract a crowd. Once again I am asking anyone who has an item that we can giveaway to donate it. We must do something that makes our Auction stand out from the others. More fun is a great approach, after all isn't that why we got in this hobby? Happy Landings! *RC'ing you soon!*
Bob Boumstein

February Meeting:

We will be discussing and ironing out our 2005 auction details as well as upcoming events like our spring fun fly events. Please attend, and bring a show & tell and your photo may be in next month's Tailspin.

We May Need Your HELP!:

We lost our mass-mailing source for Auction flyers that we used last year. We may need some help in addressing and mailing the auction flyers. We mailed approximately 500 flyers last year.

If we intend to do this again this year, we may need a few volunteers to help address, stamp and send some of the auction flyers. We can easily split these up so no one person has to do them all.

If you can help, please let us know by calling Bob Boumstein, Joe Halamek, or attending the February meeting. This must be done by the end of February. Thank you!
