A Word From The President:

The Tuesday night get-togethers have been great, the weather has been good and the flyers have been showing up at the field.

The Q500 races were great with a good turn out. There have been some new members signed up some who already fly and some for training, so it been a good month.

I hope everyone has been getting those big birds ready to go for the IMAA event later this summer. See you at the field

Thank you! - Rick Miller

Q&A?

Question. How can we schedule and host an event such as a *fun-fly* at one our fields?

Answer: It's very simple:

- Be a *member/s* of the Western Flyers.
- Have a *plan*
- Select a *date* and *type* of event (*Be flexible*)

(Continued, next column)

Next Meeting:

7:00pm Tuesday, July 11th 2006

Location: Springfield Flying site

Bring a plane, *open flying & food!* (*weather permitting!*)
(*1/2 mile south of 156th & Platteview Road, Springfield NE.*)

Vice-President's Corner:

(*No Report*)

Happy Landings, - Bob Boumstein

Q&A? (Continued...)

- Contact a club officer with your general ideas.
- The officer *or* you, will bring it up in front of the members at the next meeting for a quick *discussion and vote*.
- If passed, (*I've seen very few that haven't*) It will be scheduled by the secretary and posted in the newsletter and on our website.
- The member/s hosting the event will be required to know, understand & apply the general AMA & Western Flyer's club/field rules and to be responsible for any clean up after the event.
- All attending pilots **MUST** be a current card holding members of the AMA.

Most of our events, *Tuesday Nights, Old-timer, Racing, Bud Hall IMAA* and *General fun-fly's* are run by a very *small* group of our club members, and we are always happy to have some help in organizing events for our flyers to attend! *Besides, ...those folks that are already running events would love to attend one or two, as just another flyer! Have an idea? Let us know!*

Happy Planning! – Joe Halamek
