A Word From The President:

Well the Flying season is here. Its been great out at the field Tuesday nights, with the whole group out flying and having a good time. Some new people are showing up at the field, and flying lessons are going well too.

So lets enjoy the Flying season. Lets get those Big birds ready for the IMAA fun fly coming up for later this summer.

Also the First Q500 event of the season went well with just a break for a short rain shower.

The rain also brought a short break to the Spring Fun Fly event. It was a great event, FUN was had by all. The Bean drop event, the Climb and Glide, the Dice Roll and all of the activities were just great fun at the Fun Fly.

Our thanks to all of those who helped put the event on, such as but not limited to, Joe Halamek, Bob Burt, Jim Azara, the "Chef" Neil Kilkriste, and others. The Field looked great with its new fencing and preparations. Many thanks to all of our folks who maintain the fields.

Thank you! - Rick Miller

Next Meeting:

7:00pm Tuesday, June 6th 2006

Location: Springfield Flying site

Bring a plane, open flying & food!

(1/2 mile south of 156th & Platteview Road, Springfield NE.)

Vice-President's Corner:

What a great fun-fly we had on the 20th of May. I got my first flight in of the year but bent my gear on landing, but I did fly. I am working on getting a Sweet Stick ready for an everyday flyer. Later in the season I will have my quarter scale Gee Bee with a Saito 150 ready. It is really all done just got to finish putting the radio gear in.

Mead field looks great and each time I go out there I am reminded what a nice place that is to fly. Pull up unload and go! This is ideal and maybe we should use it more. As an idea we could think about doing a couple of Tuesday nights out there, any thoughts?

Following up to the auction, we tried some ideas this year, raffles, cash giveaways etc. No real improvement in our results, which was disappointing. I am thinking as I would ask others to do on what we can try next year. We need to draw more buyers. We had good stuff but the crowd was bargain hunting (aren't we all!). Seriously we should attract more from Kansas City, Sioux Falls, and Des Moines. How we do it is the question.

If anyone in the club wants a .61 size engine I am closing out the last 150 Lincoln engines Western Flyers can have them at \$50 each. Contact me at home at 334-0122 or at work 397-8890.

Happy Landings, - Bob Boumstein

2006 Spring Fun-fly!

17 pilots attended our spring fun-fly. We held 3 events at different times throughout the day with open flying in between.

Two young gentlemen (*Harwerth Brothers*) drove in from Ainsworth with a friend to attend, and I have to say they were great folks.

The two young men put on a very nice freestyle and 3D show. They also participated in our events and took their fare share of awards. (*See photos next page*)

The "scale guys" attended and flew throughout the day during open periods of flying. Everyone had a great time.

All the hot dogs you could eat, chips and pop on the porch of the university building helped fill in during a light shower in the morning.

Thanks to everyone that helped, flew and made it a great event! **Joe Halamek** (*Photos on page3*)
